

TOBACCO RETAIL LICENSE BULLETIN

December 29, 2023

Dear Licensed Tobacco Retailers,

Yesterday, December 28, 2023, the Oregon Court of Appeals issued an Order that temporarily halts Multnomah County's enforcement of the new Flavored Tobacco Sales Ban.

As a result, our plans to implement the ordinance effective January 1, 2024 are now paused. For you as Licensed Tobacco Retailers in Multnomah County, this means you can continue to legally sell flavored tobacco and nicotine products until further notice.

We will continue to share future updates on the status of the ordinance with you as information is available.
